Chrysalis is for youth that are at least fifteen (15) years old, **and** have completed their freshman year of high school through college sophomores. Chrysalis is a three-day Christian experience designed to build youth leadership in local churches and is for youth that want to strengthen their relationship with Christ. Why do you think this person would be a good candidate?

It is important that the adult leadership of Chrysalis be aware of any physical, spiritual, or emotional problems that this person may have. Please provide comments that will help us to understand and deal sympathetically with him or her. Comments about the person's home life, personality, and present relationship with Christ would be of great help. These comments are held in the strictest confidence.

Thank you for your help. Please pray for all candidates and team members of Chrysalis.
